

INVITATION: LIVE WEBINAR

20th April 19:00 CEST

Master Challenging Environments

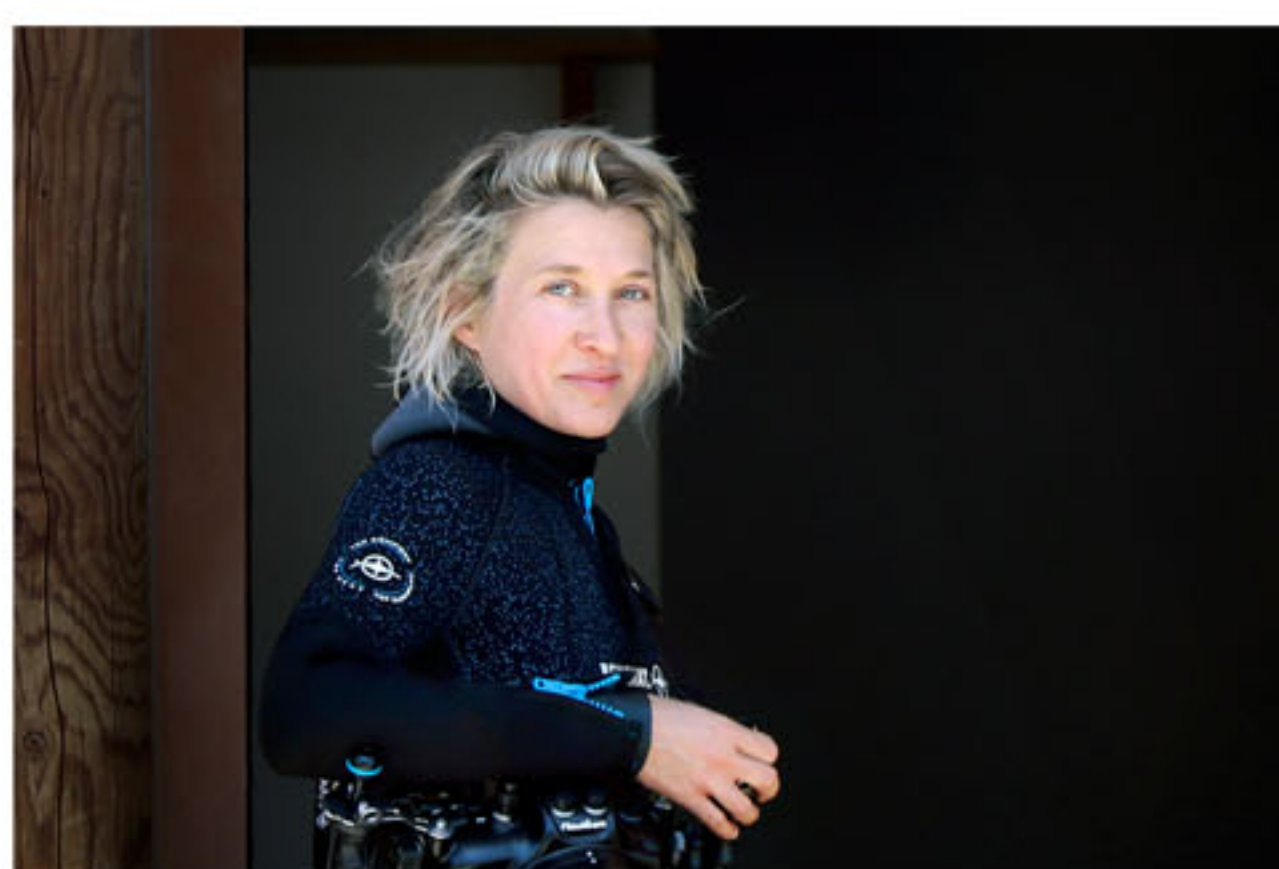

Dear CPS member, dear future CPS member

We have the pleasure to invite you to our new format of webinars for CPS members to get you as close to the Canon ambassador professionals as possible.

Our first guest will be the Canon Ambassador **Dafna Tal**, world-wide famous for her photography and filmmaking. She will share her view and hints on shooting in the challenging environments of low light (candles) and underwater photography.

The webinar will be held in English language.

The webinar is open for all CPS members. Follow the link and join us on <https://us02web.zoom.us/j/82865106679>

Dafna Tal is a visual artist, a professional photographer and a Canon Ambassador based in Eilat, Israel. She graduated from the School of The International Centre of Photography in New York City.

As an active artist, Tal's work explores the inner realms of thoughts, feelings and perceptions, each time focusing on a different culture or community. Her photography and video works are regularly exhibited at various international art venues, festivals and events. In 2018, she had a solo exhibition at The State Hermitage Museum in Saint Petersburg.
